

Kidzooocation

**Saturday May 11th from
10am - 11am in the
Zoo Education Classroom.
Children ages 4 - 7 will enjoy a
story, snack, craft & lesson
along with an animal encounter.**

This month, we will enjoy a Mother's Day theme. Children will learn several different ways that mothers care for their young, why some animals don't look like their parents when they are born, and some odd names for babies.

**Pre-registration is required
call the Zoo office at 341-4365 by
Friday May 10th at noon.
\$3 for EFOZ members,
\$5 non-members.**

**One adult for every two children please.
*For the safety & enjoyment of all participants,
please do not bring younger siblings.
Contact Erin Lingenfelter, Outreach Coordinator,
for more information.**
